CALL FOR PAPERS
7th International Conference on
Reliable Software Technologies - Ada-Europe 2002
17 - 21 June 2002, Vienna, Austria

Conference Chair
Gerhard H. Schildt
Technical University Vienna
Dept. of Computer-Aided Automation
Treitlstr. 1-3
A-1040 Vienna, Austria
Schildt@auto.tuwien.ac.at

Program Co-Chairs
Johann Blieberger
Technical University Vienna
Dept. of Computer-Aided Automation
Blieberger@auto.tuwien.ac.at
Alfred Strohmeier
Swiss Fed. Inst. of Technology Lausanne
Software Engineering Lab
CH-1015 Lausanne EPFL, Switzerland
Alfred.Strohmeier@epfl.ch

Tutorial Chair
Helge Hagenauer
University of Salzburg
Dept. Comp. Science & System Analysis
hagenau@cosy.sbg.ac.at

Exhibition Chair
Thomas Grüber
Austrian Research Centers Seibersdorf
Phone +43-5-0550-4106
Fax +43-5-0550-4199
thomas.gruber@arcs.ac.at

Publicity Chair
Dirk Craeynest
OFFIS nv/za & K.U.Leuven
Wevelgemlaan 41a/32
B-1930 Zaventem, Belgium
Dirk.Craeynest@es.kuleuven.ac.be

Local Organization Chair
Bernd Burgstaller
Technical University Vienna
Dept. of Computer-Aided Automation
Treitlstr. 1-3
A-1040 Vienna, Austria
Burgstaller@auto.tuwien.ac.at

CALL FOR PAPERS
7th International Conference on
Reliable Software Technologies - Ada-Europe 2002
17 - 21 June 2002, Vienna, Austria

General Information
The 7th International Conference on Reliable Software Technologies (Ada-Europe 2002) will take place in the year 2002 in Vienna, Austria. The full conference will comprise a three-day technical program and exhibition from Tuesday to Thursday, and parallel workshops and tutorials on Monday and Friday.

Schedule
31 October 2001 Submission of papers, extended abstracts and proposals for tutorials and workshops
10 January 2002 Notification to authors
10 February 2002 Full papers required for accepted extended abstracts
10 March 2002 Final papers (camera-ready) required
17-21 June 2002 Conference

Topics
The conference will provide an international forum for researchers, developers and users of reliable software technologies. Presentations and discussions will cover applied and theoretical work currently conducted to support the development and maintenance of software systems. Participants will include practitioners and researchers from industry, academia and government. There will be a special session on embedded systems, including the use of Ada in this realm.

For papers, tutorials, and workshop proposals, the topics of interest include, but are not limited to:

• Embedded Systems (special session).
• Management of Software Development and Maintenance: Methods, Techniques and Tools.
• Software Development Methods and Techniques: Requirements Engineering, Object-Oriented Technologies, Formal Methods, Software Management Issues, Re-engineering and Reverse Engineering, Reuse.
• Tools: CASE Tools, Software Development Environments, Compilers, Browsers, Debuggers.
• Applications in Multimedia and Communications, Manufacturing, Robotics, Avionics, Space, Health Care, Transportation, Industry.
• Ada Experience Reports: Experience Reports from Projects using Ada, Management Approaches, Metrics, Comparisons with past or parallel Experiences in non-Ada Projects.
• Education and Training.
• Case Studies and Experiments.

In cooperation with SIGAda (approval pending)
**Program Committee**

- Ángel Álvarez, Technical University of Madrid, Spain
- Lars Asplund, Uppsala University, Sweden
- Neil Audsley, University of York, UK
- Stéphane Barbey, Paranor AG, Switzerland
- John Barnes, UK
- Guillaume Berthet, University of York, UK
- Ben Brossol, Ada Core Technologies, USA
- Bernd Burgstaller, Technical University Vienna, Austria
- Ulf Cederling, Växjö University, Sweden
- Roderick Chapman, Praxis Critical Systems Limited, UK
- Paolo Coppola, INTECS HRT, Italy
- Dirk Craeynest, OFFIS nv/aa & K.U.Leuven, Belgium
- Alfonso Crespo, Universidad Politécnica de Valencia, Spain
- Peter Dencker, Aonix GmbH, Germany
- Raymond Devillers, Université Libre de Bruxelles, Belgium
- Jesús M. González-Barahona, Universidad Rey Juan Carlos, Spain
- Michael González Harbou, Universidad de Cantabria, Spain
- Helge Hagenauer, University of Salzburg, Austria
- Günter Hommel, Technische Universität Berlin, Germany
- Jan van Katwijk, Delft University of Technology, the Netherlands
- Hubert B. Keller, Forschungszentrum Karlsruhe, Germany
- Yvon Keramarre, ENST Bretagne, France
- Jörg Kienzle, Swiss Fed. Inst. of Technology Lausanne, Switzerland
- Fabrice Kordon, Université P. & M. Curie, France
- Albert Llamosí, Universitat de les Illes Balears, Spain
- Kristina Lundqvist, MIT, USA
- Franco Mazzanti, Ist. di Elaborazione della Informazione, Italy
- John W. McCormick, University of Northern Iowa, USA
- Pierre Morere, Aonix, France
- Laurent Pautet, ENST Paris University, France
- Erhard Plödereder, University of Stuttgart, Germany
- Juan A. de la Puente, Universidad Politécnica de Madrid, Spain
- Gerhard Rabe, TÜV Nord e.V., Hamburg, Germany
- Jean-Marie Rigaud, Université Paul Sabatier, France
- Jean-Pierre Rosen, Adalog, France
- Gerhard H. Schildt, Technical University Vienna, Austria
- Bernhard Scholz, Technical University Vienna, Austria
- Edmond Schonberg, New York University & ACT, USA
- Tullio Vardanega, European Space Research and Technology Center, the Netherlands
- Stef Van Vlierberghe, Eurocontrol CFMU, Belgium
- Andy Wellings, University of York, UK
- Ian Wild, Eurocontrol CFMU, Belgium
- Jürgen Winkler, Friedrich-Schiller-Universität, Germany
- Thomas Wolf, Paranor AG, Switzerland

9 May 2001, BLIEB/AS, 08/A4

---

**Submissions**

Authors are invited to submit original contributions. Submissions should be in English. An extended abstract (4-6 pages) or, preferably, the full paper (up to 12 pages) should be sent using the Web submission form. For more information please see the conference Web page. Submissions should be in PDF, Postscript or ASCII format, and follow the LNCS instructions (see 'Proceedings' below). Submissions by other electronic formats, such as a word processor source file, or by fax are not accepted. The Web submission form is the preferred procedure. However, if you don't have access to the Internet, or you don't have an appropriate Web browser, you may send your extended abstract or paper by e-mail to the Program Co-Chair Johann Blieberger. If electronic submission is not available, please send five paper copies. For e-mail or paper submissions, the body of the electronic message or the first page should identify the submission as a paper or extended abstract, and should include in plain text: the title; name, current affiliation, postal address, e-mail address, telephone and fax of each author; the name of the designated contact person; a short abstract; and a list of keywords ordered by relevance, including, whenever possible, topics and subtopics taken from the list of topics of the conference. If the paper is submitted in Postscript, please be sure to select the option “optimize for portability” in your printer driver. To enable publication of the accepted papers before the conference, strict adherence to the dates of the schedule is essential. Authors of extended abstracts must be prepared to submit a full version of their paper before February 10, 2002.

**Proceedings**

The proceedings will be published in the Lecture Notes in Computer Science (LNCS) series by Springer Verlag, and will be available at the start of the conference. See the LNCS Authors Instructions page for guidelines (http://www.springer.de/comp/lncs/authors.html).

**Awards**

There will be honorary awards for the best paper and the best presentation.

**Call for Tutorials**

A tutorial should address any of the topics of the theme of the conference. A tutorial will last a half or full day. The proposals should include a title, an abstract, a description of the topic, a detailed outline of the presentation, a description of the presenter's teaching experience in general and with the proposed topic, duration (half day or full day), level of the tutorial (introductory, intermediate, or advanced), expected audience experience and background. Proposals should be submitted by e-mail to the Tutorial Chair.

**Call for Workshops**

Half- and full-day workshops can be held to address timely issues or to initiate a longer term effort on a topic of interest. Proposals should be submitted by e-mail to the Program Co-Chair Alfred Strohmeier.

**Exhibition**

The conference will be accompanied by a three-day commercial exhibition on June 18, 19 and 20. Vendors of software products and services should contact the Exhibition Chair at their earliest convenience for further information and to ensure their inclusion.
